# DBOX ALL-IN-ONE BATTERY

Cordless energy for LED lights, Smartfone, Tablet, sound Speakers

LONG LIFE CYCLE : 70% autonomy after 500 cycles
Lithium Polymer technology

General ON/OFF switch

* Up to **16 HOURS** of light at full power without a power
cord. Internal Battery : 22.2V 18Ah (~400Wh)
Charging current : 3A

8-9 HOURS CHARGING TIME. During the charge, all the outputs will be
supplied by the external supply. AC input 100-240VAC, 50-60Hz, 2.5A max.
Box contents 1x 1.5 meter 110-220VAC power cable

On-board STATUS LED

USB port for CONSOLE ACCESS The mini-USB
connector is reserved only for technician review

6 CONNEXIONS channels for your LED lights. Connect up to 6 LEDs in series per channel :
1w, 2w, 3w, 6w, 12w, 14w LEDs are supported
Adjust the amperage according to the manufacturer's specifications (from **80mA to 900mA**)

USB MEDIA OUTPUT, 5V, 2.3A max. It can be used to charge any
device such as a Smartphone, Tablet, or a bluetooth sound Speakers

1 additional channel for **INTENSITY VARIATION**, which reduce consumption used by the
LED lamps; convenient if you want to increase the operating time of the battery
Box contents 1x 1.5 meter electric cable with dimming push button at its end

EXTERNAL ON/OFF switch
Box contents 1x 1.5 meter electric cable with on / off switch at its end

ADJUSTABLE VOLTAGE output/1A, 3.3 to 25V, 1A max.
This output provides 16 different voltage options

EXTERNAL STATUS LED
Box contents 1x 1.5 meter electric cable with flashing bicolor LED light indicator at its end

FIXED OUTPUT 24V, 1A max, for 24V LED or other
24V electronic devices

CONSUMPTION:
theoretical examples of consumption

30watts = 13h autonomy
15watts = 26h autonomy
10watts = 39h autonomy

30+10watts = 10h autonomy
15+10watts = 16h autonomy
10+10watts = 20h autonomy

30+10+10+5+6watts = 6h autonomy
15+10+10+5+6watts = 9h autonomy
30+10+10+5+6watts = 10h autonomy

WARRANTY:
2 Years - electronics & hardware
1 Year - internal Battery

TEMPERATURE:
Operating temperature : 0 to 50°C
Charging temperature : 0 to 40°C
Storage temperature : 15 to 25°C
Ambient humidity : 50 +/-20%HR
